## **Family Notable American Authors**

The Chronology of American Literature Daniel S. Burt 2004  
If you are looking to brush up on your literary knowledge, check a favorite author's work, or see a year's bestsellers at a glance, *The Chronology of American Literature* is the perfect resource. At once an authoritative reference and an ideal browser's guide, this book outlines the indispensable information in America's rich literary past--from major publications to lesser-known gems--while also identifying larger trends along the literary timeline. Who wrote the first published book in America? When did Edgar Allan Poe achieve notoriety as a mystery writer? What was Hemingway's breakout title? With more than 8,000 works by 5,000 authors, *The Chronology* makes it easy to find answers to these questions and more. Authors and their works are grouped

within each year by category: fiction and nonfiction; poems; drama; literary criticism; and publishing events. Short, concise entries describe an author's major works for a particular year while placing them within the larger context of that writer's career. The result is a fascinating glimpse into the evolution of some of America's most prominent writers. Perhaps most important, *The Chronology* offers an invaluable line through our literary past, tying literature to the American experience--war and peace, boom and bust, and reaction to social change. You'll find everything here from Benjamin Franklin's "Experiments and Observations on Electricity," to Davy Crockett's first memoir; from Thoreau's "Civil Disobedience" to Edith Wharton's *Ethan Frome*; from meditations by James Weldon Johnson and James Agee to

## **Trials And Troubles Of The Bowser Family Notable**

poetry by Elizabeth Bishop.

Also included here are seminal works by authors such as Rachel Carson, Toni Morrison, John Updike, and Arthur Schlesinger, Jr. Lavishly illustrated--and rounded out with handy bestseller lists throughout the twentieth century, lists of literary awards and prizes, and authors' birth and death dates--The Chronology of American Literature belongs on the shelf of every bibliophile and literary enthusiast. It is the essential link to our literary past and present.

**Gangster Rap and Its Social Cost** Benjamin P. Bowser 2012 Rap music and its gangster rap variant are now far too important and influential in American life to be ignored by the general public and research communities alike. Artists and promoters alike have made a number of questionable claims about the

**American Authors** authenticity and impact of their music that have been taken for granted and not been critically assessed. Those who have written about from communications, music and cultural studies have provided an important but relatively fixed narrative that leaves the central claims and impacts of this entrepreneur unaddressed. It is in this context that the author Benjamin Bowser began studying hip hop and gangster rap precisely because the influence of this movement and music on African American adolescents HIV infection risk takers. At the same time, the frequent use of the N-word by gangster rappers has become a major unaddressed issue in civil rights that has also not been studied. Furthermore, an important reason to study these unaddressed issues is to not only better understand them, but to offer solutions to the problems they pose and to improve the quality of life of all involved. Within the rapidly growing literature on hip hop and gangster rap, Gangster Rap and Its Social Cost stands

## **Trials And Troubles Of The Bowser Family Notable**

### **American Authors**

out from the rest because it provides a number of unique contributions. First, based upon a community case study, the author asserts that gangster rap has empowered white racists and, as a consequence, has reduced the quality of life and civil rights of listeners and non-listeners alike. Second, this book goes to great length to make a serious distinction between gangster rap and hip hop. Disentangling one from the other opens the door to a more focused and critical analysis of gangster rap and provides an outline of the unmet potential of rap in hip hop. Third, national surveys are used as evidence in the debate about the size and characteristics of the rap and hip hop listener audiences. There are some surprises here that should reframe the controversy on who listens to and buys rap music. Fourth, there is a first generation of psychological and social scientific research on rap music that is summarized through 2011. Finally, the problems in gangster rap are

~~not inevitable and we do not~~ have to live with them. They can be effectively addressed without attacking the civil liberties of gangster rappers or their corporate sponsors. Gangster Rap and Its Social Cost is must reading for young adults, parents, those who both enjoy and dislike rap music, and students in sociology, psychology, ethnic studies, communication, music, community studies and public health.

least not on the field. Off it is a different matter. But helping him along as he deals with bullies and problems at home are his best friend and sometimes teammate Coby, and The Mac, a rapping librarian who gives Nick inspiring books to read. This heartfelt novel-in-verse by poet Kwame Alexander bends and breaks as it captures all the thrills and setbacks, action and emotion of a World Cup match!

### American Humorists,

1800-1950 Stanley Trachtenberg 1982 Contains biographical sketches of American humorists who are generally considered to have had a major impact on our attitudes toward and understanding of humor and on the development of the form through the production of a significant body of work. Only literary figures were considered for inclusion, criterion was based on whether the author's work was primarily humorous or whether there was a significant body of humorous writing.

**Film Study** Frank Manchel

~~1990~~ The four volumes of **American Authors** Study include a fresh approach to each of the basic categories in the original edition. Volume one examines the film as film; volume two focuses on the thematic approach to film; volume three draws on the history of film; and volume four contains extensive appendices listing film distributors, sources, and historical information as well as an index of authors, titles, and film personalities.

### The Secrets of Mary Bowser

Lois Leveen 2012-05-15

“Masterfully written, *The Secrets of Mary Bowser* shines a new light onto our country’s darkest history.” —Brunonia Barry, bestselling author of *The Lace Reader* “Packed with drama, intrigue, love, loss, and most of all, the resilience of a remarkable heroine....What a treat!” —Kelly O'Connor McNees, author of *The Lost Summer of Louisa May Alcott* Based on the remarkable true story of a freed African American slave who returned to Virginia at the onset of the Civil War to spy on the

## **Trials And Troubles Of The Bowser Family Notable**

Confederates, The Secrets of Mary Bowser is a masterful debut by an exciting new novelist. Author Lois Leveen combines fascinating facts and ingenious speculation to craft a historical novel that will enthrall readers of women's fiction, historical fiction, and acclaimed works like Cane River and Cold Mountain that offer intimate looks at the twin nightmares of slavery and Civil War. A powerful and unforgettable story of a woman who risked her own freedom to bring freedom to millions of others, The Secrets of Mary Bowser celebrates the courageous achievements of a little known but truly inspirational American heroine.

The British National

Bibliography 1965

**Current Index to Journals in Education, Semi-Annual Cumulation, July-December, 1977** 1978-03

**Encyclopedia of American Humorists** Steven H. Gale 2016-04-14 First published in 1988, this book contains entries on famous American Humorists. Humor has been

present in American literature, from the beginning, and has developed characteristics that reflect the American character, both regional and national. Although American literature was, in the past, treated as inferior to British literature, there has always been a large popular audience for the genre, which this book shows. The figures with entries in this encyclopedia not only amuse in their writing, but also aim to enlighten- setting out to expose the foibles and foolishness of society and the individuals who compose it. It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume. Indeed, the book will demonstrate that the best humor has at its base, a ready understanding of human nature.

White Space, Black Hood

Sheryll Cashin 2021-09-14 A

2021 C. Wright Mills Award

Finalist Shows how

government created "ghettos"

and affluent white space and

entrenched a system of

American residential caste that

## **Trials And Troubles Of The Bowser Family Notable**

is the linchpin of US inequality—and issues a call for abolition. The iconic Black hood, like slavery and Jim Crow, is a peculiar American institution animated by the ideology of white supremacy. Politicians and people of all colors propagated “ghetto” myths to justify racist policies that concentrated poverty in the hood and created high-opportunity white spaces. In *White Space, Black Hood*, Sheryll Cashin traces the history of anti-Black residential caste—boundary maintenance, opportunity hoarding, and stereotype-driven surveillance—and unpacks its current legacy so we can begin the work to dismantle the structures and policies that undermine Black lives. Drawing on nearly 2 decades of research in cities including Baltimore, St. Louis, Chicago, New York, and Cleveland, Cashin traces the processes of residential caste as it relates to housing, policing, schools, and transportation. She contends that geography is now central to American caste. Poverty-free

~~havens and poverty-dense~~  
hoods would not exist if the state had not designed, constructed, and maintained this physical racial order. Cashin calls for abolition of these state-sanctioned processes. The ultimate goal is to change the lens through which society sees residents of poor Black neighborhoods from presumed thug to presumed citizen, and to transform the relationship of the state with these neighborhoods from punitive to caring. She calls for investment in a new infrastructure of opportunity in poor Black neighborhoods, including richly resourced schools and neighborhood centers, public transit, Peacemaker Fellowships, universal basic incomes, housing choice vouchers for residents, and mandatory inclusive housing elsewhere. Deeply researched and sharply written, *White Space, Black Hood* is a call to action for repairing what white supremacy still breaks. Includes historical photos, maps, and charts that

## **Trials And Troubles Of The Bowser Family Notable**

illuminate the history of residential segregation as an institution and a tactic of racial oppression.

**The Bowser family history** Addison Bartholomew Bowser 1922-01-01

The Oxford Companion to American Literature James D. Hart 1995-10-12 For more than half a century, James D. Hart's The Oxford Companion to

~~American Literature~~ has been an unparalleled guide to America's literary culture, providing one of the finest resources to this country's rich history of great writers. Now this acclaimed work has been completely revised and updated to reflect current developments in the world of American letters. For the sixth edition, editors James D. Hart and Phillip Leininger have updated the Companion in light of what has happened in American literature since 1982. To this end, they have revised the entries on such established authors as Saul Bellow, Norman Mailer, and Joyce Carol Oates, and they have added more than 180 new entries on novelists (T. Coraghessan Boyle, Tim O'Brien, Louise Erdrich, Don De Lillo), poets (Rita Dove, Weldon Kees), playwrights (Wendy Wasserstein, August Wilson), popular writers (Stephen King, Louis L'Amour), historians (James M. McPherson, David Herbert Donald, William Manchester), naturalists (Aldo Leopold,

## **Trials And Troubles Of The Bowser Family Notable**

Edward Abbey), and literary critics (Camille Paglia, Richard Ellmann). In addition, the Companion boasts more women's, African-American, and ethnic voices, with new entries on such luminaries as Charlotte Perkins Gilman, M.F.K. Fisher, William Least Heat-Moon, Ursula Le Guin, and Oscar Hijuelos, among many others. These additions represent only some of the revisions for the new edition. Of course, the basic qualities of the Companion that readers have grown to know and love over the years are as superb as ever. With over 5,000 total entries, The Oxford Companion to American Literature reflects a dynamic balance between past and contemporary literature, surveying virtually every aspect of our national literature, from the Pulitzer Prize to pulp fiction, and from Walt Whitman to William F. Buckley, Jr. There are over 2,000 biographical profiles of important American authors (with information regarding their styles, subjects, and major works) and influential

**American Authors** foreign writers as well as other figures who have been important in the nation's social and cultural history. There are more than 1,100 full summaries of important American novels, stories, essays, poems (with verse form noted), plays, biographies and autobiographies, tracts, narratives, and histories. The new edition provides historical background and astute commentary on literary schools and movements, literary awards, magazines, newspapers, and a wide variety of other matters directly related to writing in America. Finally, the book is thoroughly cross-referenced and features an extensive and fully updated index of literary and social history. Ranging from Captain John Smith to John Updike, and from Anne Bradstreet to Anne Rice, the sixth edition of The Oxford Companion to American Literature is up to date, accurate, and comprehensive, a delight for both the casual browser and the serious student.

### **American Authors**

May 1985-07 Your students and users will find biographical information on approximately 300 modern writers in this volume of Contemporary Authors(R). Authors in this volume include: Allan and Janet Ahlberg Gerald R. Ford G. Gordon Liddy Marco Antonio Montes de Oca

**I Shall Be Near to You** Erin Lindsay McCabe 2014-09-02 An extraordinary novel about a strong-willed woman who disguises herself as a man in order to fight beside her husband in the Civil War. Rosetta doesn't want her new husband, Jeremiah, to enlist, but he joins up, hoping to make enough money that they'll be able to afford their own farm someday. When Jeremiah leaves, Rosetta decides her true place is by his side, no matter what that means, and follows him into war. Rich with historical details and inspired by the many women who fought in the Civil War while disguised as men, *I Shall Be Near To You* is a courageous adventure, a woman's search for meaning and individuality,

and a poignant story of enduring love.

*Dictionary of American Biography* 1928

Revolutionary Conceptions

Susan E. Klepp 2017-11-01 In the Age of Revolution, how did American women conceive their lives and marital obligations? By examining the attitudes and behaviors surrounding the contentious issues of family, contraception, abortion, sexuality, beauty, and identity, Susan E. Klepp demonstrates that many women--rural and urban, free and enslaved--began to radically redefine motherhood. They asserted, or attempted to assert, control over their bodies, their marriages, and their daughters' opportunities. Late-eighteenth-century American women were among the first in the world to disavow the continual childbearing and large families that had long been considered ideal. Liberty, equality, and heartfelt religion led to new conceptions of virtuous, rational womanhood and responsible parenthood. These

## **Trials And Troubles Of The Bowser Family Notable**

changes can be seen in falling birthrates, in advice to friends and kin, in portraits, and in a gradual, even reluctant, shift in men's opinions. Revolutionary-era women redefined femininity, fertility, family, and their futures by limiting births. Women might not have won the vote in the new Republic, they might not have gained formal rights in other spheres, but, Klepp argues, there was a women's revolution nonetheless.

Trials and Troubles of the Bowser Family Charles B. Lewis 2013-03-01 Bonded Leather binding

Liar, Temptress, Soldier, Spy Karen Abbott 2014-09-02 Karen Abbott, the New York Times bestselling author of *Sin in the Second City* and “pioneer of sizzle history” (USA Today), tells the spellbinding true story of four women who risked everything to become spies during the Civil War. Karen Abbott illuminates one of the most fascinating yet little known aspects of the Civil War: the stories of four courageous women—a socialite, a farmgirl, an abolitionist, and a widow—who were spies. After shooting a Union soldier in her front hall with a pocket pistol, Belle Boyd became a courier and spy for the Confederate army, using her charms to seduce men on both sides. Emma Edmonds cut off her hair and assumed the identity of a man to enlist as a Union private, witnessing the bloodiest battles of the Civil War. The beautiful widow, Rose

**American Authors**

O’Neale Greenhow, engaged in affairs with powerful Northern politicians to gather intelligence for the Confederacy, and used her young daughter to send information to Southern generals. Elizabeth Van Lew, a wealthy Richmond abolitionist, hid behind her proper Southern manners as she orchestrated a far-reaching espionage ring, right under the noses of suspicious rebel detectives. Using a wealth of primary source material and interviews with the spies’ descendants, Abbott seamlessly weaves the adventures of these four heroines throughout the tumultuous years of the war. With a cast of real-life characters including Walt Whitman, Nathaniel Hawthorne, General Stonewall Jackson, detective Allan Pinkerton, Abraham and Mary Todd Lincoln, and Emperor Napoleon III, *Liar, Temptress, Soldier, Spy* draws you into the war as these daring women lived it. *Liar, Temptress, Soldier, Spy* contains 39 black & photos and 3 maps.

**American Mother** Gregg Olsen 2022-11-10

### **Crawling Behind: America's Child Care Crisis and How to Fix It**

Elliot Haspel 2019  
"I've totally washed away the dream of having one more child." "I had never intended to be a stay-at-home-parent, but the cost of child care turned me into one." "We had to pull our toddler out of his program because we couldn't afford to have two kids in high-quality care." These are not the voices of those down on their luck, but the voices of America's middle class. The lack of affordable, available, high-quality childcare is a boulder on the backs of all but the most affluent. Millions of hard-working families are left gasping for air while the next generation misses out on a strong start. To date, we've been fighting this five-alarm fire with the policy equivalent of beach toy water buckets. It's time for a bold investment in America's families and America's future. There's only one viable solution: Childcare should be free.

**American Authors**  
**A Yankee Spy in Richmond**

David D. Ryan 2017-09-15 She walked the streets of Richmond dressed in farm woman's clothing, singing and mumbling to herself. Soon her suspicious and condescending neighbors began referring to her as "Crazy Bet." But she wasn't mad; she had purpose in her doings. She wanted people to think she was insane so that they would be less likely to ask her questions and possibly discover her goal: to defeat the South and to end slavery. Elizabeth Van Lew, of Crazy Bet, was General Ulysses S. Grant's spy in the capital city of the Confederacy.

*Impacts of Racism on White Americans* Benjamin Bowser 1981-09 What motivates white racism? What effects does racism have on white Americans? The Second Edition of this provocative book reveals that racism remains a pervasive force in American society and that its effects on whites are still misunderstood. Combining the contributions of sociologists, historians and economists, this new edition

## **Trials And Troubles Of The Bowser Family Notable**

contains updated chapters which take account of the developments in American society over the past 15 years. The editors expand on the recommendations they presented in the First Edition, demonstrating clearly the progress made and, more significantly, what remains to be achieved.

Famous American Crimes and Trials: 1860-1912 Frankie Y. Bailey 2004 What do Lizzie Borden and O.J. Simpson have in common? Or the Lindbergh baby and Gary Gilmore? They were all the focus of famous crimes and/or trials in the United States. In this five-volume set, historical and contemporary cases that not only "shocked the nation" but that also became a part of the popular and legal culture of the United States are discussed in vivid, and sometimes shocking, detail. Each chapter focuses on a different crime or trial, and explores the ways in which each became famous in its own time. The fascinating cast of characters, the outrageous crimes, the involvement of the

~~media, the actions of the~~ police, and the trials that often surprised combine to offer here one of the most comprehensive sets of books available on the subject of famous U.S. crimes and trials.
