First Friends Gary Ginsberg
2021-07-06 AN INSTANT NEW YORK TIMES BESTSELLER! A USA TODAY "BEST BOOKS OF 2021" PICK! In the bestselling tradition of *The Presidents Club* and *Presidential Courage*, White House history as told through the stories of the best friends and closest confidants of American presidents. Here are the riveting histories of myriad presidential friendships, among them: Abraham Lincoln and Joshua Speed: They shared a bed for four years during which Speed saved his friend from a crippling depression. Two decades later the friends worked together to save the Union. Harry Truman and Eddie Jacobson: When Truman wavered on whether to recognize the state of Israel in 1948, his lifelong friend and former business partner intervened at just the right moment with just the right

words to steer the president's decision. Franklin Delano Roosevelt and Daisy Suckley: Unassuming and overlooked during her lifetime, Daisy Suckley was in reality FDR's most trusted, constant confidant, the respite for a lonely and overworked President navigating the Great Depression and World War II. John Kennedy and David Ormsby-Gore: They met as young men in pre-war London and began a conversation over the meaning of leadership. A generation later the Cuban Missile Crisis would put their ideas to test as Ormsby-Gore became the president's unofficial, but most valued foreign policy advisor. These and other friendships—including Thomas Jefferson and James Madison, Franklin Pierce and Nathaniel Hawthorne, and Bill Clinton and Vernon Jordan—populate this fresh and provocative exploration of a series of

seminal presidential friendships. Publishing history teems with books by and about Presidents, First Ladies, First Pets, and even First Chefs. Now former Clinton aide Gary Ginsberg breaks new literary ground on Pennsylvania Avenue and provides fresh insights into the lives of the men who held the most powerful political office in the world by looking at the friends on whom they relied. *First Friends* is an engaging, serendipitous look into the lives of Commanders-in-Chief and how their presidencies were shaped by those they held most dear.

First Friends and Queen of Sheba Roberta Smith Kroll
2014-12-12 Bob and Bernice Smith and Grandpop Schmidt taught Roberta all the lessons a young girl wanted to know about animals and nature. Things changed a bit when Grandpop died and the family farm was sold. The small family then searched for a place to relocate. Their friends, the Newharts, found a place in Buckingham Township, which

they felt would fit the Smiths' needs. This farm was directly over the hill from her best friend, Sally's, home. The purchase was made and named Bridle Path Farm. Roberta Smith, aka Rachel Snyder, and Sally Newhart, aka Sara Newman, became best of friends and spent many years doing fun things. The Smiths and Newharts became best friends for life also. Roberta trained her animals and was a big help curing Brownie from his laminitis (founder). Sheba was the Smiths' first horse. Roberta's dream of making the United States Equestrian Team was shattered when Sheba was injured and wasn't able to be ridden. The Smiths went in search of a young horse to raise and train for Roberta's future.

Bree wants is to ruin their relationship. But those abs . . . Nope! Nothing but good old-fashioned, no-touching-the-sexiest-man-alive, platonic friendship for Bree. In any case, she has other things to worry about. After a car accident ended her chance at becoming a professional ballerina, Bree changed paths and now owns her own dance studio, with big dreams to expand it. But one more rent increase could mean the end of the studio entirely. Then, as usual, Nathan comes to the rescue and buys the entire building. A stubborn Bree is not happy about it and decides to rebel with a couple—okay, maybe more than a couple—of tequila shots. Then her plan backfires as she spills her deepest, darkest secret to a TMZ reporter. One viral video later, the world thinks Nathan and Bree are the perfect couple. Before they can really talk about her confession, Nathan's publicist proposes a big opportunity that could mean financial security for Bree. The catch? They have to

pretend to be in love. For three whole weeks. What will happen when Bree gives in to the feelings she's been desperately hiding for so long, and could she be imagining that Nathan is actually enjoying it? Sarah Adams scores more than touchdowns in this exciting romantic comedy.

First Friend Katharine Rogers 2010-04 Dogs have shared our homes for as long as we can remember, and, in return, have guarded us, helped us hunt, and herded our livestock. They have generally been our friends as well; that is what most of them are today. Canine friends give us uncritical affection, free of the ambivalence that plagues human relationships. Dogs figure prominently in literature, starting with Homer's Argus, the hound who remembered Odysseus after twenty years. Victorian novels are full of vivid canine characters.
